Thank you for your email.

We rarely vote positions on pending Bills in front of the state legislature, but I agree AB1250 should be added to our City Council agenda. I will raise the issue of adding it on Tuesday night. Kirsten Keith, who is serving as the City's mayor this year, ultimately is in charge of selecting what items are placed on our agenda. She traveling out of the country and won't be at the meeting Tuesday, so it may be a few weeks before we gain confirmation it will be added to an agenda in the future.

With best regards,
Ray

The City of Menlo Park has a very expensive staff that will cost us well into the future. We need the flexibility to outsource to contain costs. AB1250 is not what we need and the City Council should oppose it in the strongest way possible. Stand up for our rights as a city to do business as we see fit.
